PRE-INKED , REFILLABLE AND FAST DRY-ING:

All stamps are pre-inked and refillable, which means no messy ink pads are needed. The ink is also fast drying to prevent smudging. (Number of impressions will vary; approximately 50,000 per stamp.)

DURABLE, EASY TO USE:

The surface of the stamp has been created using a durable rubber that helps extend the life of the stamp. All stamps are compact so they're easy to handle and use.

PROTECTIVE COVER:

The snap-on cap covers the stamp surface so it may be cleanly and safely carried in your pocket or purse.
